

Finding colleges that would be a great fit for your student **AND** your finances can be like finding a needle in the haystack...until now!

With our exclusive **schools-at-a-glance report** you'll save time, money and effort becoming an informed buyer of a college-education and sending your college to the right college, for the right reasons, and at the right price!

You can send your child to a great school for them without going broke in the process and the schools-at-a-glance report will help you do it!

Here are three highlights of the **SCHOOLS-AT-A-GLANCE REPORT:**

- **Learn what you will actually pay**
Learn what your net price, not sticker price, will be at selected schools, in light of your eligibility for need-based financial aid (for middle-income earners) or scholarships (for high-income earners).
- **Learn which schools want your students to attend**
Discover if selected schools are BUYERS (will offer generous tuition discounts to entice your student) or SELLERS (not so much!). This one piece of actionable information can help you save thousands on college costs by honing in on schools that **want your student to attend and will offer generous tuition discounts!**
- **Learn which schools would yield the best return on your investment**
Based on a selected degree program (for example business management), learn which schools would offer you the most in financial aid or scholarships and where would you pay the least amount out-of-pocket. **Find great great options for your student AND your finances that you might not be aware of!**

You should expect more than simplistic, one-size-fits-all college-savings strategies from a financial advisor. **WITH OUR FIRM, YOU CAN EXPECT MORE AND WE'LL DELIVER MORE!**
